

Kirami Premium Pearly M

Cube EcoStripe - Mocca, Champagne

The strengths of the Premium Pearly tub include the user-friendly design familiar from the Family series. The designed bench makes it easier to climb into the tub. You can rest your back on the specially designed edges of the bench and for two people the it can also be an armrest. The tub's glossy, champagne-coloured inner tub made out of ABS-acrylic, represents the highest class of hot tubs. The smooth and light coloured surface of the plastic allows LED-lightning to be installed as additional equipment. Factory fitted LED-lighting creates a fabulous atmosphere in the evening twilight. Premium Pearly is the choice of bathers who value easy-care products of high quality.

The hot tub is heated with an efficient black Cube heater with a timeless design and colour; it heats even large tubs quickly. It is made out of high-quality marine-grade aluminium. The outer shell is made out of grooved composite panels in mocca that suit a modern environment. The grooved surface is easy to clean, and the material needs no additional treatment besides cleaning. Champagne is clear and solem choice for inside colour. This elegant and fabulous interior guarantees memorable and romantic bath moments.

The barrel diameter is 170 cm and water volume 1420 litres. It is suitable for 4-6 people. The dry weight of the hot tub is 139 kg. The gross heat output of the CUBE stove is 48 kW and the net heat output transferred to the water is 35 kW.
